METAPACE

S-61

METAPACE S-61
Low-priced handheld laser scanner

Technical specifications

PROPERTIES

Type	1D laser
Scan pattern	Single line
Lightsource	650 nm ± 10nm laser diode
Resolution	Min. 0.1 mm (4 mils)
Scan rate	72 scans per second
Print contrast	Min. 35 % reflectance difference
Scannig angle	Horizontal: ±46°; pitch: ±68°; skew: ±52°
Barcodes supported	UPC/EAN, UPC/EAN with supplementals, UCC/EAN 128, Code 39, Code 39 Full ASCII, Code 39 TriOptic, Code 128, Code 128 Full ASCII, Codabar, Interleaved 2 of 5, Discrete 2 of 5, Code 93, MSI, Code 11, IATA, GS1 DataBar (formerly RSS) variants, Chinese 2 of 5

ELECTRONICS

Laser safety	IEC class 1
Voltage	5 V ± 5 % @ 125 mA

INTERFACE

I/F ports	USB

SPECIFICS

Impact resistance	Resists multiple 1 m drops to concrete

ENVIRONMENT

Operating temperature	0 °C – 40 °C
Storage temperature	-40 °C – 60 °C
Humidity	5 % – 95 % RH (non-condensing)

HOUSING

Dimensions (W x H x D)	95 x 68 x 152 mm
Weight	125 g (without cable)
Colour	Black

WARRANTY

Period	60 months

Highlights

+ Versatile laser scanner for all 1D barcodes

+ Extraordinarily good value for the money

+ Powerful laser engine for high throughput

+ User-oriented lightweight housing and ergonomic form
